

Talking to Comic Book Resources, new Superman creative team Keith Giffen and Dan Jurgens have talked in detail about their plans for the Man of Steel from #7 onwards. Below are just a selection of excerpts, but I strongly advise heading on over to the site by clicking on the link below to read it in full - it really is two or three times longer than what I've included here and very interesting. Keith Giffens On Taking Over The Title From #7: I don't think "Superman" is going to be unique, I think most of the books will have new teams coming in on #7 because these are almost built to be six-issue story arcs. When it comes to "Superman," as far as I'm concerned they can pry my rotting fingers off of it before I'll leave! [Laughter] It's kind of weird; in my career I've never been offered the big
