

It had been rumoured that Mark Waid would be taking over Avengers Assemble from current writer Brian Michael Bendis later this year, but the following teaser image released a few minutes ago by Marvel seems to indicate otherwise. It instead appears as if we can expect to see Kelly Sue DeConnick (Captain Marvel) and Stefano Caselli (Amazing Spider-Man) teaming up on the series, and it's hard to find fault with a creative team like that! Strangely, none of the heroes are wearing their redesigned Marvel NOW! costumes... ASSEMBLE! Kelly Sue DeConnick – Stefano Caselli November 2012
