

The cover of Marvel NOW! Point One features the team of Loki, Wiccan and Miss America Chavez (introduced in the pages of Vengeance last year). A teaser image for that book saw the latter delivering a fairly nasty punch to Loki, and we now have yet another teaser - "Amateurs". What do you get when you add all of these together? Well, while Young Avengers seems like the most obvious answer, don't be too surprised if this is an all-new team of some sort. After all, Kieron Gillen took Journey Into Mystery and turned it into a critically acclaimed solo title for Kid-Loki, so who knows what he has planned? Gillen and Jamie McKelvie previously worked together on creator owned Image series Phonogram. Many thanks to Comic Book Resources for the teaser.
