

Source: Newsarama Click the image below to be taken to a preview for each DC title being released today, including: Birds of Prey #2, Blue Beetle #2, Captain Atom #2, Catwoman #2, DC Universe Presents #2, Green Lantern Corps #2, Justice League #2, Legion of Superheroes #2, Nightwing #2, Red Hood and the Outlaws #2, Supergirl #2, and Wonder Woman #2. Plus a look at Batman: The Odyssey Vol. 2 #1. The New 52 is a 2011 revamp and relaunch by DC Comics of its entire line of ongoing monthly superhero books, in which all of its existing titles were cancelled, and 52 new series debuted in September 2011 with new #1 issues. Among the series being renumbered are Action Comics and Detective Comics, which had previously retained their original numbering since the 1930s. Touted as a large publishing event following
