

Cosmic Book News has posted a scanned page from Fantatic Four #600 possibly revealing the return of none other than Johnny Storm, a.k.a. The Human Torch. Believed to have died in the climax of writer Jonathan Hickman's "Three" back in January's Fantastic Four #587, how he survived is currently unknown as the site do not elaborate on whether this is explained in the issue which goes on sale tomorrow. With Annihilus on a leash and the forces of the Negative Zone apparently under his command, it appears as if Johnny may be possessed and preparing to invade Earth. With future solicitations of the title showing Spider-Man as still being a member, the future of the team and this character remain a mystery for the time being. The solicitation and covers for Fantastic Four #600 can be viewed below. "FOREVER" Part One. THIS IS IT! The 50th anniversary issue of the Fantastic Four! This
