

Thanks to Buzz Feed, we have these incredible Amazing Spider-Man #692 variant covers by Marcos Martin (Daredevil). They take us through five decades of Spider-Man history (the 60s, 70s, 80s, 90s and 00s) and focus on some of the most pivotal moments in Peter Parker's life. Which of them is your favourite? Sound off with your thoughts in the usual place, and keep an eye out for these when they go on sale next month!
