

In the past few months, we have seen a couple of details regarding The Secret Service, an upcoming comic book series written by Mark Millar and features the art of Watchmen's Dave Gibbons. This time, however, we get to see the first nine pages of the first issue of the series, which features an act of abduction conducted by a group of mysterious assassins, and involves real-life actor Mark Hamill as the victim. Check out the preview, courtesy of SFX right below... Click on the images to enlarge. Don't forget to check out The Secret Service #1 when it hits the shelves on Wednesday. Anyway, what do you think of this? As usual, sound off with your thoughts on the spot below. The Secret Service tells the story of a young London rioter, who ends up being trained by his uncle to be a gentleman super-spy; basically, "James
