

By: Mark Julian Imagine a gritty, crime story that's centered around Jim Gordon and his partner Frank Castle and you'd have a general idea of what Damaged is all about. Make Commissioner Gordon and The Punisher brothers and you'd be a step closer. Put another twist on this concept with the fact that a dark secret has been held by both of these men for the last 35 years and you'd have Damaged nailed to a tee. Two brothers, Frank and Henry Lincoln, were once young cops but went down incredibly separate paths the night they decided to take the law into their own hands. Now, thirty-five years later, the elder brother Frank is a Captain in the San Francisco police department but is being forced into early retirement by a scheming Mayor looking to secure his re-election. However, the situation changes when Henry returns to town, looking to
