

Marvel: Season One, a line of all-new graphic novels, just got bigger as Marvel is pleased to add three titles to the highly anticipated line-up with Ant-Man: Season One, Hulk: Season One & Doctor Strange: Season One! These all-new complete stories offer fans a chance to immerse themselves in the Marvel Universe like never before. Journey into the unknown with Ant-Man, learn about the mystic arts with Doctor Strange and find out how Hulk balances humanity and monstrosity as each of these graphic novels offer new revelations for long-time fans and give new readers a fresh introduction to the character. With modern retellings of the world's greatest super heroes seminal origins by some of the most critically acclaimed creators in the business, no fan can miss this! Each of these graphic novels also include a code to download each book for free, via the Marvel Comics app, making them must haves
