

This one should definitely be worth a look as it features Rick Remender, Jeff Parker and Rob Williams being joined by artist Tony Moore. It kicks off in Venom #13 and continues into Venom #13.1, 13.2, 13.3 and 13.4, concluding in Venom #14. Apparently the idea for this came from Rick Remender and Jason Aaron "trying to come up with a Venom/Wolverine crossover paying homage to the classic Walt Simonson/Art Adams "New Fantastic Four" story from Fantastic Four #347-349."
