

In January 2013, prepare for the deadliest game of all as Uncanny X-Force #1 kicks off an all-new ongoing series from rising star creators writer Sam Humphries (Ultimate Comics Ultimates) and artist Ron Garney (Wolverine). As part of Marvel NOW!, Uncanny X-Force joins a number of titles that will take the Marvel Universe in an exciting all-new direction, as the industry's top creators join the top Super Heroes to deliver all-new ongoing series, great for new and lapsed readers alike! After the shocking end to the previous group known as X-Force, the mutant known as Psylocke recruits her own clandestine group of operatives—Storm, Puck and Spiral—for missions so important—and so bloody—no one can know the truth. But when the time traveler known as Bishop returns to the present, he puts this new X-Force in his sights and won't rest till he finds them. But just why does this former ally of
