

Source: CBR In his weekly column over at Comic Book Resources, Axel graciously answers fan questions on a weekly basis. Here's portion of this weeks Q&A. Click the link underneath the banner to read the full and original transcript. A fan asked if the 616-universe would become as diverse as the Ultimate universe: Alonso:"If you check our record, Elflore, I think you'll see our commitment to diversity is apparent across the line, and has been for some time. Black Panther has anchored a monthly title on and off for the past 8 years, and is certain to be back in the mix in 2012, Luke Cage has been a central character in [Brian] Bendis' Avengers, and Shang Chi's role in "Spider-Island" is a taste of things to come -- and those are just three characters off the top of my head. It's not like we've stopped trying, either. Besides Miles Morales in the Ultimate
