Of course, there's a lot more to be found by clicking on the link below to head on over to the site where you'll find details on the launch of Uncanny X-Men and Wolverine & The X-Men as well as Marvel's 2012 plans, going day and date digital and more great artwork. This isn't our first rodeo. We knew there would be righteous indignation that Ed wouldn't write that scene. [Laughter] But [the death of the Winter Soldier in "Fear Itself"] was a story-beat that emerged out of an editorial summit. Matt [Fraction] was working the group through his outline, and Ed [Brubaker] was in the room when we decided to do it. It
