

Here we have the original 5 members of The X-Men in all their glory. Brian Michael Bendis has already revealed that this series would feature the original incarnations of Cyclops, Jean Grey, Angel, Beast and Iceman as they use time-travel to arrive in the present comic timeline - but this is our first look at Immonen's artistic take on them.. No new details on the X-men, but Marvel had this to say about Rick Remender and John Cassaday's Uncanny Avengers.. From the ashes of Avengers Vs. X-Men an all-new, all-different Avengers assemble – enter the Uncanny Avengers! From the creative team of Rick Remender and John Cassaday, Captain America and Wolverine begin a quest to create a sanctioned Avengers unit cast from the ranks of the Avengers and the X-Men. This November in UNCANNY AVENGERS #2, The Red Skull makes a move that transforms him into the most powerful man on Earth! And
