

The first issue of Avengers Arena hits this December, and here is an excerpt from a recent interview with Dennis Hopeless and series editor William Rosemann on what - and who - we can expect to see. Rosemann throws a few names our way, while Hopeless assures us that we will most definitely lose a few of these unfortunate youngsters as the series progresses.. William Rosemann: "Fans of AVENGERS ACADEMY will hopefully be excited by the next chapter in the lives of Hazmat, Mettle, Reptil, Juston and his Sentinel and X-23. Speaking of schools, who are the Braddock Academy? After his last appearances in War of Kings and NOVA, Darkhawk soars again! Staying with sci-fi, just wait until you see what Dennis and Kev have planned for Annihilation's Cammi, baddest girl in all the galaxy. And last but certainly not least, direct from the pages of the dearly missed RUNAWAYS, we have
