

A chosen son seemingly determined to simultaneously live up to and defeat his father's expectations. A brother who's influence he cannot abide but will never escape. Join Thor in Asgard for a timeless archetypal family drama played out against a cosmic backdrop where the human journey toward humility and compassion is also Thor's journey toward godhood and worthiness. AVENGERS ORIGINS: THOR #1 Written by KATHRYN IMMONEN

Penciled by AL BARRIONUEVO Cover by GERALD PAREL
