

Find out more Sunday, July 15th at the Amazing Spider-Man panel, 12:30PM PST, during Comic Con International 2012! Can't make it to the convention? Follow along on the Marvel Events App & events.marvel.com, the best way to get exclusive videos, real-time announcements from the convention floor and up-to-the-minute panel, in-booth, and signing schedules of all your favorite Marvel creators! And don't forget to join the conversation on Twitter with #ThisIsWar! It's not made that clear whether the title of this storyline is "Punisher: War Zone" or "Lock and Load", although it seems far more likely that the former will be the new name of the book. In hindsight, the fact that all of the teasers released this week were penciled by regular The Punisher artist Marco Checchetto should have pointed to the vigilante's involvement. Will we see him taking on the Marvel Universe, and if so, why?! Sound off with your
