

Marvel have released the following teaser for their newest title, Wolverine & The X-Men by Jason Aaron and Chris Bachalo. There's a lot going on in the image (including yet another tease that 2012 will see the return of Phoenix in some form) and it seems as if the publisher are determined to give us plenty of reasons to stick with the book going in to next year. Perhaps most intriguing is what appears to be Uncanny X-Men's Cyclops preparing for attack... Excited for Wolverine & The X-Men #1 from Jason Aaron and Chris Bachalo, on sale today?
