

Revealed by Marvel on the Diamond Retailer Website, and discovered by our friends over at Bleeding Cool, we have a first look at Skottie Young's "Marvel Babies" variants for the upcoming NOW! relaunch. From top to bottom, these covers are for Uncanny Avengers, A Plus X, All-New X-Men, Fantastic Four, Indestructible Hulk, Iron Man, Thor: God of Thunder and Deadpool. As you may have noticed, there's nothing here for a few other titles (such as Captain America and FF). Hopefully this means that Marvel will be revealing even more of them in the coming weeks and month.
