

Last month, writer Matt Fraction revealed through an interview that Tony Stark will be Iron Man no more in the upcoming Long Way Down storyline. That doesn't mean that the Armored Avenger will also be dead, however, as an all-new Iron Man will be introduced in May's Invincible Iron Man #518. Although the identity behind the armor still remains a mystery, check out the teaser image below, courtesy of Comic Book Resources, with a thanks to Cosmic Book News for the heads-up. "Iron Man" teaser hints at the character's post-"AvX" future. What do you think of this? As usual, share your thoughts on the spot below.
