

The penultimate chapter of the apocalypse is here! Captain America, Thor, and Iron Man scramble to make Earth's last stand against the relentless Serpent and his army of world-shattering avatars--all while amongst unbelievable chaos and destruction, Spider-Man makes the choice of a lifetime! Dark Asgard has risen and all of Earth's forces converge on the World Tree as the globe shudders in the shadow of FEAR ITSELF! You may recall seeing a different version of the following image a few months ago, before Fear Itself began. Well, looks like the penultimate issue WILL indeed see the shattering of Captain America's iconic shield! Surely not? Well, as I said above, the first few all accurately portrayed event on the cover which happened in the comic, so it seems likely! On a slightly unrelated note, it's also interesting to ponder what sort of big decision Spider-Man might be forced to make. Seeing as he's
