

Last week was a sad day for Hellboy fans as the beloved character had his heart ripped out..literally. After 18 years at Dark Horse and 2 great movies from Guillermo Del Toro, Hellboy's creator Mike Mignola felt it was time for Big Red to call it a day. Here are some excerpts from Mignola's interview with Newserama.. Newsarama: Mike, it was pretty rough for us Hellboy fans to see his heart ripped out of his chest. Mike Mignola: Well, if it was rough, we did it right. It shouldn't be easy. Nrama: It gives you hope in the end because there's a Hellboy in Hell series coming. Was this always the plan? Mignola: It was almost from the beginning. A million years ago, I don't remember exactly, but I was conceiving this thing as a book that would eventually go in this direction. ... You know, it was very strange. It's one thing to say --
