

Earlier today, it was revealed that Peter Parker and Miles Morales will meet in the first ever crossover between Marvel's two alternate realities. For full details on the storyline, click [HERE](#). After the announcement, Newsarama caught up with Spider-Men editor Mark Paniccia, who revealed that despite previous comments from Marvel that they would never do a 616/Ultimate crossover, they couldn't pass up the opportunity for one very simple reason. "Timing was just right. There's only one 50th Anniversary for Spider-Man." So far, all we really know is that it will be Peter who ends up in the Ultimate reality. As for whether Miles will visit the 616 universe, he remained coy. "You'll have to read to find out." Marvel earlier revealed that the Ultimate versions of Aunt May and Gwen Stacy would have a role in the limited series, to which Paniccia added: "As you might guess, this is a story
