

Click on the pic for a larger look. Quite a line-up eh? According to MTV Geek, "the title brings together a disparate group of heroes under the leadership of Steve Trevor to fight the Secret Society of Super Villains.". As you can see the team will also include Martian Manhunter, Catwoman, Baz, Green Arrow, Vibe, Stargirl, and Katana. Apparently JLA will run alongside Justice League. To hear what Johns and Finch have to say about this new series, click the link below back to MTV Geek.
