

Marvel have a few characters that would be associated with lightning - such as Thor and Storm - but given the fact that this will be a new team book, and those cross-hairs, it is believed that this will be something to do with the Marvel supervillain team, The Thunderbolts - who's tagline is "Justice Like Lightning". That's where my money is, but we'll find out soon enough. Which characters could be involved? Speculate away in the usual place.
