

The last time Peter Parker revealed his identity, it was to the entire world at the request of Tony Stark during Civil War. As any comic book fan will know, that did not end well. Since then, he has let the Fantastic Four and a select number of The New Avengers in on his secret, but the cat is otherwise very much back in the bag. Well, it looks like he'll be revealing his dual identity as the Amazing Spider-Man to someone else in this mysterious teaser released today by Marvel via Comic Book Resources! However, the solicitation for Amazing Spider-Man #673 may just hint at there being some sort of twist with this revelation... It's the morning after for New York City. See how everything has changed for Peter Parker and the spider-crew now that he's once again the world's only Spider-Man... or is he? With The Jackal (the villainous Miles Warren who
