

Just as THOR and Captain America: The First Avengers had an effect on their respective comic book counterparts (the return of Steve as Cap, Odin coming back from the afterlife) it seems The Avengers is already working its way into Marvel's 616 continuity with an all-new costume for Hawkeye! Gone are the colorful boots and mask, replaced instead with an outfit far more similar to the one recently unveiled in movie concept art. What do you think about this new team of Avengers? And more importantly, what about Clint's new look? Be sure to share your thoughts in the usual place!
