

Comixology has released Spectral: Ghosts of War, a prequel to the NETFLIX original movie. The 48 page digital exclusive comic is available starting today for \$7.99 US. It is written by Seamus Kevin Fahey (Battlestar Galactica, Lethal Weapon) and Sean Fahey (BlackJack Press). The painted artwork is provided by the talented Zid (Son of Merlin, Kong: Skull Island). Here's a direct link to the comic for those that want to check it out. - Spectral: Ghosts of War. We've also included artwork for the cover and two of the interior pages below! Delving deeper into the supernatural mysteries of the sci-fi action movie SPECTRAL, this official prequel graphic novel tells a new story of survival in the face of a weaponized force of phantoms known as 'spectrals.' When a war-torn city is overrun by a terrifying army of ghosts, a group of school-friends set out on a dangerous journey to uncover the truth behind their nightmares. Meanwhile, an advanced assault unit of near-future soldiers
