

Source: CBR What I meant to say was take a look at Doctor Strange showcasing his playboy side in this 4-pg preview of Defenders #1 courtesy of CBR. Looks pretty intriguing to me, sound off below in the comments section with your own thoughts. The Defenders is the name of a number of Marvel Comics superhero groups which are usually presented as a "non-team" of individualistic "outsiders," each known for following their own agendas. The team usually battled mystic and supernatural threats. Its original incarnation was led by Doctor Strange and also included the Hulk, Namor, and as a kind of belated addition, the the Silver Surfer. They first appeared as The Defenders in Marvel Feature #1 (December 1971). The group had a rotating line-up from 1972 until 1986, with Dr. Strange and the Hulk being more or less constant members along with a number of other mainstays such as Valkyrie, Nighthawk, Hellcat, Gargoyle,
