

Thanks to Comic Book Resources we have our first look at Superman #1. These pages are action pack featuring Supes trying to get information out of thieves, and is rudely interrupted by a fiery foe that seems to be speaking Kryptonian! Lois Lane, Jimmy Olsen, and Perry White also make appearances in the pages. Superman #1 is written by George Perez who also did the art work along side Jesus Merino. The issue will be on sale on September 28, 2011.
