

It looks like we're in for another week of teasers from Marvel, this time in the form of more script excerpts. While Jonathan Hickman's Avengers isn't shrouded in anywhere near as much secrecy as All-New X-Men was (and arguably still is), this will at least give us a good look at Jerome Opeña's incredible pencils for the series. What do you guys think Steve and Tony could be talking about? Be sure to sound off with your thoughts in the usual place! Panel 3 - Tony, looking over at Steve -- at his BROTHER. IRON MAN I remember everything about that day. (tail) We started something that mattered. Because of you, the world changed. (tail) I changed.
