

Kotaku have a preview of the cover to Minutemen #3, one of the new comics in DC's "Before Watchmen" series. I'm sure fans of Alan Moore's original, and indeed Zack Snyder's movie version, will remember the character of Silhouette. A member of the original team of heroes known as The Minutemen, she unfortunately didn't last very long. The lesbian crime fighter was, as Rorschach put it, "a victim of her own indecent lifestyle". It seems this issue could feature some type of origin story for Silhouette, as well as details on the events leading up to her death.. Minutemen #3 is written and drawn by Darwyn Cooke, and will be available this August.
