

Starting with issue #4, Action Comics will begin to feature 8 page back up stories which will tie directly into the main 20 page story. The first will feature the New 52 debut of Steel and will be written by Sholly Fisch (Brave And The Bold). Here is a first glimpse at the new Steel prototype armor by Brad Walker, based off a design by Rags Morales.. From DC's The Source.. The lead story in ACTION #4 by Grant Morrison and Rags Morales features the debut of the "New 52" Steel! Last we saw of John Henry Irons, in ACTION #2, he had quit his military job in protest over Lex Luthor torturing Superman under General Lane's command. Now, as the Terminators lay siege to Metropolis, it's time for John Henry to put his money where his mouth is and go help Superman defend the city. The backup in #4 ties into
