

Don't shoot the messenger.... While I'm sure fans of Stephanie Brown are thrilled to see her return to the world of comic books (even if it's not in the main DC universe) I'm sure they would prefer it in one of her traditional incarnations. Prior to the DCnU, Brown started out as Spoiler before becoming Robin and then eventually Batgirl. Well in the Smallville Universe, Stephanie Brown is none of those, she's Nightwing. That does means she was probably Robin at some point in her costumed career unless Smallville is totally reinventing the wheel and there's no way they'd do that, right....? Writer Bryan Q. Miller, who 'coincidentally' wrote a 2009 Batgirl series starring Brown has the following to share on this development--- "Bruce can be somewhat of an angry man. Stephanie's personality is so can-do and unsinkable and bright, so it's very much on purpose on
