

The flagship X-Men title in the Marvel NOW! relaunch will be All-New X-Men; a series written by Brian Michael Bendis, with art from Stuart Immonen. The series will feature the original five X-Men (Cyclops, Jean Grey, Angel, Beast and Iceman) coming to the present day Marvel Universe. We don't know an awful lot more than that at the moment, although this is an ongoing series, meaning they won't be heading back to their own time any time soon. Below are a few highlights from an interview with Stuart Immonen over at Newsarama. Click on the link below to check it out in full and be sure to sound off with your thoughts in the usual place. On The Introduction Of The Original Five X-Men To The Current Marvel Universe: In All-New X-Men, we pick up the story of the Original Five directly from a sequence in one of the Lee/Kirby issues and
