

[CLICK IMAGES TO ENLARGE] I'm incredibly curious as to whether DC knew just how explosive the initial reveal of Superman and Wonder Woman sharing a kiss would be or whether they're simply riding the media storm that has since ensued. Either way, this is some much needed buzz and it looks as if this development between Supes and Wonder Woman will be marketed as aggressively as possible. Still, this is actually kind of funny on DC's part and I'd die of laughter if this actually makes it into the regular Justice League comic book series. UPDATE: And thanks to USA Today, there's now confirmation that this kiss does indeed actually happen in the pages of the comic book and isn't simply cover bait.
