

In a lengthy interview with Newsarama, The Flash creative team Francis Manapul and Brian Buccellato have revealed exactly how Daniel West (introduced in last month's #0 issue) is connected to the West family. As you should already know, the significance of that name has a lot (everything?) to do with fan favourite Flash, Wally West; a character who is sadly missing from "The New 52" continuity. Unfortunately, the introduction of Daniel doesn't mean that DC are opening the door for Wally's eventual return...at least not yet! Check out the excerpt below and make sure to click on the link at the bottom of the page to read the Q&A in full. Francis and Brian, DC called out the fact that Daniel West appeared in The Flash #0. Why was his appearance significant, and why was he specifically called a member of the "West family?"

Francis Manapul: Well, you only need two people
