

Thanks to Newsarama, we have the following highlights from the DC Comics "New 52" panel at Fan Expo Canada. I've included a few of the most interesting points, but be sure to click on the link below to head on over to the site in order to read much, much more about the companies plans. While there's plenty of interesting tidbits here, the first paragraph should make fans of the JSA very happy indeed... "Should we tease?" asked O.M.A.C. co-writer and DC co-publisher DiDio. The rest agreed, and James Robinson confirmed that he is working on a new Justice Society project with artist Nicola Scott, and that the parallel world Earth-2 will make a return. The crowd erupted into thunderous applause. "We don't want them to just be cameos and then forgotten," DiDio said. "We've waited on JSA because we really wanted to get the details right. We were hammering out the
