

Spider-Men Exclusive Sneak Peek It has been revealed via USA Today that Mysterio is the villain who will discover a rift between the 616 and Ultimate Universe, resulting in Peter Parker and Miles Morales meeting for the first time. According to writer Brian Michael Bendis, the classic baddie has been travelling between universes for a while now and it's also hinted that these two may not be the only heroes who end up visiting the alternate realities. "Mysterio is up there with the most dangerous criminals that Spider-Man has come up against," says Bendis. "When I was a kid, I found some of his stories to be terrifying. It just got so personal. When he does his thing right, he delves in and gets deep into a psyche that doesn't deserve that kind of punishment." "Now we're in Christmas Carol territory," he adds when asked about Peter Parker meeting the likes of Aunt
