

Carol Danvers new look was met with a mixed reaction earlier this month when it was revealed that she would be the new Captain Marvel in a series from Kelly Sue DeConnick and Dexter Soy. However, former Ms. Marvel artist Terry Dodson has provided his take on the character on the cover of *Avenging Spider-Man* #9. Revealed by Comic Book Resources, there's currently no solicitation details for the book, but stay tuned to CBM for more details later this year. Of course, the question on many a comic book fans mind will be whether or not Spidey and Captain Marvel will rekindle their past near romance.
