

Monday's All-New X-Men #1 teaser featured Beast seemingly undergoing yet another mutation (if you missed it, you can find it by clicking [HERE](#)) and yesterday's saw him and a few other of his fellow team-mates reflecting on the events of Avengers Vs. X-Men (find it by clicking [HERE](#)). The latest one sees a clearly upset Iceman sharing his thoughts on the current state of the Marvel Universe - clearly he's not too happy with Marvel NOW! either! It also looks like Cyclops is definitely on the run from the authorities too. Many thanks to Newsarama for the following preview and excerpt. Page 12: 4- Iceman looks at us and thinks out loud. ICEMAN When we were young we were always worried about a mutant apocalyptic nightmare! I'm telling you, if the young us saw what was going on today it would feel WORSE than the mutant apocalyptic nightmare we used to WORRY about!
