Gillen on Uncanny X-Men: "This is like the X-Men operating on a scale we've never seen them operate on before." Gillen said that in his book, the X-Men are trying to be the "premier superhero team. The dial's turned far, far, far to the right," Gillen said, calling the X-Men "superhero team as nuclear deterrent." Asmus discusses Generation Hope: "The team is sticking with their mission. Sebastian Shaw was mindwiped and left off the map. Once the team
