

Talking to IGN Comics writer and artist Tony Daniel has discussed his upcoming work on Detective Comics #1, dropping some revealing new details and finally shedding some light on the Joker of the DCnU. Below are some brief excerpts from the interview, but be sure to click on the link below to head on over to the site where you can find much, much more. On What Will Single Out Detective Comics From The Other Batman Titles: I knew pretty quickly how I wanted to tackle the book and what my take would be. Whereas in my Batman run, I had to keep in mind Dick Grayson's lighter character when working on fight sequences and character beats, I have a sense of freedom on Detective that allows me to write the Batman that I've always wanted to write. The tone will be more serious, darker. And deeper. We'll be seeing Batman facing challenges
