

Now that Thor, X-Men: First Class and Green Lantern have been released, things have gotten a little slow around here, despite the welcome additions to the main page of the latest Captain America: The First Avenger TV spots and international posters. And so, here I bring you possibly one of the most bizarre Marvel moments in their history. (Many thanks to Bleeding Cool for the scans) While I'm sure this was never intended to be the case when Brian Michael Bendis wrote the original reunion between Clint and Wanda following his resurrection during House of M, you have to hand it to Avengers: The Children's Crusade writer Allan Heinberg for this clever, and somewhat unexpected, twist. The sixth issue (featuring the above moment) is on sale now, and well worth checking out.
