

What you see below is all we know about "The First X-Men" at this point. There has been some speculation that this new series will see the return of Chris Claremont to the Marvel Universe, while many have come to the conclusion that it will focus on Cyclops, Jean Grey, Angel, Beast and Iceman. What do you guys think? Sound off with your thoughts in the usual place.

Coming this August. It's another Marvel Next Big Thing liveblog coming your way Monday, May 14 at 5 PM EST, and this time around we've got one of the biggest names in comics stopping by for a major announcement. Who are The First X-Men? Join the conversation on Twitter with #FirstXMen
