

Just in case you haven't seen enough of Miss Johansson today here is a funny pic from the recent Avengers shoot. In fairness, who can blame the boys for having a gawp? I wonder if they had a gander at those other pics yet.. You can have any combination of exchanges between the characters pictured..you can even bring the slightly disproving looking Dr Selvig into it if you like! Keep em short enough if possible but pretty much anything goes. The winner will be the one who's caption is cleverest/funniest but there will be prizes for 2 runners up too! All you have to do is post your caption in the comments section. For added effect you can post the pic with your caption added on but it's not necessary. The winner will receive an awesome shopping spree to the value of \$75 courtesy of our friends at Superhero Stuff! To check out
