

Showbiz 411 confirms that 'Adele' will compose and perform the theme for Skyfall and that it will rather appropriately be called, "Skyfall". The single will be featured on her upcoming album after the last one - "21" - sold over 22 million copies worldwide. Singing a theme for the 23rd James Bond film means that the British singer joins the likes of Shirley Bassey, Paul McCartney and Madonna, all of whom have contributed their own iconic takes on the Ian Fleming creation in song. There's obviously no preview available at this point, but you can check out one of the tunes that 'Adele' is best known for below. Daniel Craig is back as James Bond 007 in Skyfall, the 23rd adventure in the longest-running film franchise of all time. In Skyfall, Bond's loyalty to M (Judi Dench) is tested as her past comes back to haunt her. As MI6 comes under attack,
