

We still don't have official confirmation, but a couple of separate reports indicate that we'll be getting a brand new trailer for Guardians of The Galaxy Vol. 2 tomorrow. Apparently ESPN has been screening some type of ad (again, we haven't seen it ourselves) promoting the teaser, which fans have been anticipating ever since director James Gunn revealed that it'd be with us "soon." We're hearing the trailer will air Saturday evening on ABC during the ACC Championship game from 8pm ET, as well as on ESPN around the same time. If that ad pops up online we'll update ASAP. Guardians of the Galaxy Vol. 2 is released April 28, 2017 in the UK and May 5 in North America.
