

Commencing principal photography next month, set preparation has been openly underway for Zack Snyder's Superman reboot, Man Of Steel, in Plano, Illinois. And now, the latest batch of set images, via Superman Homepage, reportedly feature the construction of the famous Kent Farm. With the source also revealing an interesting tidbit regarding Supes in flight, check it out. I've received word that a scene in the new movie will supposedly show Superman flying through an iHop sign. The purpose built sign was constructed in South Carolina and is due to be shipped out to Illinois on July 15. Man Of Steel, starring Henry Cavill, Amy Adams, Kevin Costner, Diane Lane, Michael Shannon, Antje Traue, Julia Ormond, Russell Crowe with Christopher Meloni and Harry Lennix, the reboot is slated for theaters Mid-December 2012!
