

Source: Stan Lee Said Stan Lee, "Wotta day! I visited Sony studios where they're shooting the great new Spider-Man movie and met with producer Avi Arad. But even though we're pals, I couldn't convince him to make my cameo any bigger!" It's also interesting to note the gigantic "purple" screen behind Stan and Avi. Doing some quick research, I learned that filmmakers use whatever color is not heavily featured in the costumes for the color of the screen, so might the use of the purple be due to the fact that they're shooting a Lizard focused scene here? The Amazing Spider-Man is an upcoming American superhero film directed by Marc Webb based on the comic book of the same name starring the fictional superhero, Spider-Man. It is the fourth Columbia Pictures film based on that Marvel Comics character, and the first film in a rebooted Spider-Man film franchise. The cast includes Andrew Garfield
